THUNDERBIRDS

Director: Stephen Hertling

The band this year is directed by Mr. Stephen Hertling. The band has come a long way in the past year. The thunderbirds have earned all the recognition given to them from the long and tiresome hours of practice each week. They entered their first band competition this year and placed third. The band gave support and brought school spirit at every football game each week.

Everyone had great fun. The judges of the contest were L. Guariputo, J. Dunn, J. Regazzio. David Schultz honored everyone with his expertise as M.C.

UNITED NATIONS

For the fourth consecutive year, the UN class led by Ms. Farmer attended the Harvard Model United Nations. The students represented Japan at this conference. As our final deadline draws to a close, we would like to offer our thanks to a few people who have given generously, of both their time and help.

First and foremost, we would like to express our deepest gratitude to Ms. Sheila Whitehouse, our advisor. Without the extensive effort put forth by Ms. Whitehouse, this yearbook would not exist. She has spent a great deal of her time working with us to insure the success of this yearbook. We thank her for her patience, tolerance, and crisis-solving. We are greatly indebted to her.

We would also like to thank Mr. Norval E. Garnett, our Josten's American Yearbook Company representative. His creative aid is greatly appreciated. Mr. Garnett was always available for us, whether we needed a simple phone conversation or a visit. We would like to thank him for all his efforts on our behalf.

We would also like to thank many of the staff and faculty at Bourne High School. We would like to express our gratitude to Mrs. Gruner for the use of the library. Also, we would like to thank Mrs. Buckley for the use of the typing room. Mrs. Bond, Mrs. Eischied, Mrs. Koronkiewicz, and Mrs. Regazio receive our thanks for their help with both supplies and information. We would also like to thank Mr. Dunbury for his concern. Our teachers also deserve our thanks for allowing us to leave class during deadline rushes. We cannot thank these people enough.

Finally, let us not forget our staff. They all showed such dedication and determination at all times. They are to be thanked and commended for all their efforts, and we are very grateful to them.

We are very grateful to all the people we have mentioned, and the entire senior class should also thank them. We are very proud of this yearbook, and we feel that it reflects our last year at Bourne High School beautifully. We thank you, the Class of 1983, for your support.
